WHAT IS CHRISTIAN ART?
Wednesday, February 7 at 7:00 pm

This one-night course will explore a number of themes. Led by parishioner Charles Foster, we will explore art in four main traditions: European, African American, Mexican, and Central African. This class serves as a helpful introduction to a small group exploring Jesus through scripture and art that will meet at the same time starting in Lent. And we’ll do it all in 90 breathless minutes. Sign up online at www.allsaintsbh.org/calendar/what-is-christian-art.

The greatest healing therapy is friendship and love

-Hubert H. Humphrey
A few months ago Gary had his worst day—the car that he had been living in was impounded and he had nowhere to go. He called 211, the hotline for health and human services. He was referred to the homeless outreach team (CLASP) in Beverly Hills, who contacted All Saints’ to see if the church would pay the impound fee. After meeting with Gary, we decided he would be better served by going to People Assisting The Homeless (PATH) and ending his homelessness, not just getting his car back.

Gary moved into PATH and began using their services. As he puts it, “I needed to become socially adjusted.” And now here’s the really good news—tomorrow Gary starts a new job in the aerospace industry with a six-figure salary. Yes, he really does design rockets.

We celebrated last week and helped him buy some new work clothes and a Metro TAP card. Gary said, “The worst day of my life is also the best day of my life. Thanks for not giving up on me.”

Unfortunately, Gary is the exception. Last year the homeless population in Los Angeles increased 23% to 58,000 people. Los Angeles Times columnist Steve Lopez says, “Getting people off the street is not easy in every case, and I know this from personal experience, having worked for an entire year with the help of mental health professionals to bring a friend indoors. But we’re not trying hard enough.”

God told the Israelites, “You shall also love the stranger, for you were strangers in the land of Egypt.” (Deut 10:19) Part of hospitality is taking care of strangers and providing them with housing and food. As we discern what’s next for All Saints’ may we keep this in our heart.

SUNGLASSES FOR HONDURAS
Sundays on the Patio through February 18
Our Medical Mission Team will travel to Honduras on March 2 for our 18th medical mission. For the second year in a row, we will also have an eye clinic, providing vision care and corrective glasses to hundreds of clinic visitors. Our goal is to provide a pair of sunglasses to every person who visits the clinic, and only YOU can help us do that. Bring us your unused (non-prescriptive) sunglasses, and drop them off in the Eyeglass Bin on Sundays (or visit Amazon.com and get a great deal on inexpensive, UV protective glasses). The sun shines bright in Honduras, and we were stunned at how few of our visitors have sunglasses. It’s a simple gift that can make a big different in their eye health. For more information, contact Debbie Gauer at dgauer@allsaintsbh.org to volunteer.

Volunteers are also needed!! Master pancake flippers, decorators and awesome clean-up crews wanted. Contact Karlyn Johnson Brown at kjohnson@allsaintsbh.org to volunteer.
